Profile

An energetic junior editor looking for an opportunity to enter the industry I love.

Education

SAE Institute New South Wales - Diploma of Film Graduate 2019

Specialized in Editing, Story Telling for the Screen, Post Production Workflows, Film Production, Audio Post Production, Colour Grading & Cinematography

Dulwich School of Visual Arts and Design - Graduate 2012

I actively sought to attend this High School as a child due to its emphasis on art & design & a chance to explore creative concepts in a scholastic setting. Throughout my studies here I received instruction in traditional subjects like English, Math & Science with an emphasis on creative subjects including Drama, Story Telling & Art.

Royal Life Saving Australia - Bronze Medallion - Graduate 2017

This course taught me life saving CPR, rescue skills, safe water practices, survival in the water, self preservation and recognizing an emergency.

Life Guarding Qualification with Senior First Aid - Graduate 2017

Rescue and emergency response. Management of suspected spinal injury in shallow water. Skills including advanced First Aid strategies & CPR.

Experience

Editing Internship Avalon Creative Los Angeles October 2019 - Present

This has been an internship at the Avalon Creative Compound in Downtown Los Angeles working in a documentary editing studio using Adobe Premiere. Duties included filming & editing behind the scenes sequences for an Adidas commercial featuring Beyonce. This was a once in a lifetime opportunity to assistant edit, PA shoot in a functioning studio in Hollywood. This opened my eyes to the whole creative workflow and another side of the creative process.

Production Assistant - Avalon Creative LA "Mother Dearest"

Produced by Julian Maroun, directed by Joey Checatte and shot by Michael Lincoln. Did running and general PA work on set for a 3 day shoot in LA.

Production Assistant - Avalon Creative LA “NY Loft” Dir Joey Sanchez

Worked as a PA and stand in hand model in an edgy erotic short film featuring scantily clad women wearing latex and not much else.

AV Technician, Sydney Audio Visual Specialists Apr 2017 - Jan 2018

Supervised set up & installation of cameras, monitors, lights & speakers in a blue chip corporate environment. Much client interaction including on sight management for live events ensuring they run smoothly and to the clients satisfaction. This required clear communication skills, corporate presentation & a professional attitude.

Life Guard , Ryde Aquatic Leisure Centre, Dec 2017 - Present

Duties include keeping a vigilant eye on swimming patrons with an emphasis on young, aged and infirm swimmers. Providing first aid in an effective, timely & professional manner ensuring the safety of swimmers.

House Painter, Domenico Master Painter, Jan 2016 - Present

House painting laborer including all duties required to paint a clients house such as sanding, dusting, cleaning and attending to all safety considerations. Job quotation and money collection from project conception to completion.

Skills and Interests

Proficient in Adobe Premiere Editing, Basic After Effects skills, Photoshop, Keynote, Editing, Story Structure, Videography, Visual Effects. Personal Training & Self Improvement. Humanitarian work including feeding the homeless at Christmas. Additionally, I went on a five month humanitarian tour of India as a teen and became the designated photographer, videographer and editor.
